Health and Social Care - BTEC Pearson Level 1

Programme Outline:

The purpose of these qualifications is to develop the transferable skills, attributes and behaviours needed for learners to progress to further study and ultimately to employment. The qualifications are designed to be delivered in an applied way, bringing together appropriate content with practical and technical skills. As a Level 1 qualification the pass standard requires learners to complete routine, simple and directed tasks by applying their knowledge and skills. It is expected that learners complete tasks fully under supervision, direction or with guidance. At merit and distinction levels, learners may be expected to complete tasks in greater detail or with greater confidence or independence. This qualification is assessed through coursework only, with no formal external examinations.

Pearson BTEC Level 1 Introductory Award in Health and Social Care
