Pearson BTEC Level 2 Diploma in Performing and Production Arts Industry Skills

Programme Outline:

This suite is a practical, vocational qualification designed for post-16 learners seeking to enter the entertainment sector. It provides a comprehensive foundation in both onstage performance and behind-the-scenes technical production.

The course is **100% internally assessed** through practical assignments, rehearsal logs, and performance projects marked by the centre.

Performance Skills:
Acting techniques, dance, and movement styles.

Industry Involvement:
Meaningful engagement with employers, such as industry guest speakers, theatre trips, and work-related experience, is a core requirement.

The qualification is offered at four sizes:

Award
Certificate
Extended Certificate
Diploma

Units include:

- Skills Development for Performing Arts
- Professional Development
- Creative Interpretation
- Audition and Portfolio Process
- Preparing for a Performing Arts Production
- Performing Arts Production
- Responding to a Progression Opportunity

Entry Requirements:

A keen interest in Performing Arts.
Desirable to have completed a Level 1 programme in a related subject.
Ideally to be working at or towards a Level 1 in English and Maths

Progression:

Successful completion may allow progression to a **Level 3 programme** in Performing Arts or related specialist areas. It also prepares learners for apprenticeships or entry-level industry roles
