

Sight Village Wales

**Tuesday 8th April
2025**

9.30am - 3.30pm

VENUE

**All Nations Centre,
Cardiff CF14 3N**

Sight Village is the UK's leading exhibition and an integral part of the blind and low vision landscape, attracting thousands of visitors eager to explore the latest technology, products, and support services.

It offers a unique opportunity to discuss and engage with new innovations in a sensory-rich environment where you can see, touch, and fully experience products and services. It's a Sensory Show.

Sight Village has proudly served the Low Vision Community for over 30 years and continues to do so!

Show Guide - Wales 2025

Sight Village

Welcome to Sight Village!

We are delighted to have you with us today in **Cardiff**. This event brings together a diverse range of exhibitors dedicated to providing support for individuals with varying degrees of sight loss.

Our friendly and knowledgeable exhibitors are here to answer your questions and showcase the latest accessible products and services. Feel free to explore each exhibitor's table, clearly labelled for your convenience.

Throughout the day, there will be informative talks in the Seminar Room, offering valuable insights. Catering facilities are also available, where you can purchase refreshments and relax.

"We hope you enjoy your time at Sight Village and find the day informative."

A special thank you to our Sponsor for their support and generosity in contributing to Sight Village events 2025:
