

Sight Village Scotland

**Wednesday
21st May 2025**

9.30am - 3.30pm

VENUE

**Science Centre:
50 Pacific Quay,
Glasgow G51 1EA**

ADMISSION FREE

Sight Village is the UK's leading exhibition and an integral part of the blind and low vision landscape, attracting thousands of visitors eager to explore the latest technology, products, and support services.

It offers a unique opportunity to discuss and engage with new innovations in a sensory-rich environment where you can see, touch, and fully experience products and services. It's a Sensory Show.

Sight Village has proudly served the Low Vision Community for over 30 years and continues to do so!

Pre-registration recommended

Great for end users • employers • professionals • public sector

**Getting to
Science
Centre
Postcode:
G51 1EA**

VISITING BY CAR

From the M8 (east or west) take Junction 24 and follow the brown tourist signs.

From the M77 the motorway merges with the M8. Take the next exit (Junction 21) and follow the brown tourist signs.

From the Clydeside Expressway take SECC (E) exit and then follow the brown tourist signs.

VISITING BY PUBLIC TRANSPORT

We are just a short walk away from:
Stagecoach X19 (Govan Road/Pacific Quay)
First Bus No 90 (Paisley Road West)
McGill's Bus 23 and 26 (Pacific Drive)

VISITING BY SUBWAY

The nearest station is Cessnock. Exit the station and turn left, then turn right onto Brand Street and then left onto Lorne Street. Turn left onto Pacific Drive and the entrance to Glasgow Science Centre is at the roundabout.

VISITING BY TRAIN

The Exhibition Centre train station is located on the Argyle Line with regular services running from Glasgow Central and Partick stations. Follow signs through the covered walkway from the station to the SEC, and then on to crossing the river using either Bells Bridge or the Millennium Bridge, before a short walk to the science centre.

VISITING ON FOOT

It only takes about 30 minutes to walk along the riverside from the heart of the City Centre.

Sight Village Scotland

Interaction Zone Comments:

"The atmosphere here is buzzing, and it's exciting, it's interesting. If you have any questions about services or equipment for visually impaired people, this is the best to get an answer" **Visitor**

"It's made me aware of things I didn't know existed... and it's helped me to try things out to know whether I do need them or not. There are visually impaired people on the stalls, and they can explain to use exactly how it helps them" **Visitor**

"I've been coming to Sight Village for about ten years now maybe, and I just think it's a really good thing and I'd recommend it to anybody and everybody... so come along" **Visitor**

"For our type of equipment, I think it's really important to come and see, touch and hold products - because that's what it's all about, it's a sensory show" **Exhibitor**

"It's a great opportunity to try those products and services, meet people and also connect with the community. It's a privilege to be here" **Exhibitor**

**"Follow us to always be up to date
for all things Sight Village"**
