

Volunteers Needed !

Do you have some spare time
and an interest in gardening?
Maybe you enjoy being
outdoors and helping others?
Then come and join the team
at Umberslade!

We are run by QAC, and our students play a vital role
in maintaining, planting and harvesting our produce,
whilst also learning about horticulture, experiencing the
outdoor environment and having fun!
We are also open to the public, with 'The Potting Shed'
tea room serving delicious cakes and our shop where you
can buy lots of things gardening based along with cards,
gifts and trinkets. A range of community groups also visit,
taking part in various activities and workshops with us.

We have a variety of areas and roles
where you can get involved:

- > Education / training
- > Horticulture
- > 'The Potting Shed' tea room
- > Grounds work and maintenance
- > Community workshops
- > Retail

For an informal chat,
more information or to
arrange a visit, contact
Nicky on 0121 472 4894
or nstitt@qac.ac.uk

Umberslade Nurseries is part of QAC Enterprises, supporting Queen Alexandra College (QAC),
a specialist college for people with disabilities. QAC Registered charity number 1065794.
