

October 2024

Dear Parent/Guardian/QAC student,

IMPORTANT! QAC Bursary for 2024-2025

Queen Alexandra College currently has a small, annual allocation of bursary money that can be used to support learners experiencing financial hardship. Our aim is to support learners who might otherwise be financially disadvantaged from accessing their learning at QAC. Bursary money can be allocated as either payment 'in kind' towards transport costs, meal costs ('School Pay' system) and/or learning materials or, as a termly payment **made directly to the student**. Most of the Bursary allocation goes towards supporting increasing transport and meal costs for students and families.

There are specific 'government set' criteria to meet in order to be eligible for a bursary award. Please consider the information below *carefully* before deciding whether to apply.

Even if you have applied previously for the bursary from QAC, you will still need to apply again and provide the information requested in the eligibility criteria.
