

Entry 3 / Level 1 LASER LEAP (Learning, Employment and Progression)

Programme Outline:

The LASER LEAP programme is a suite of qualifications that offers a wide variety of personal development and vocational taster units.

The structure of the programme allows the College to fulfil the needs of individual students and it also helps to promote engagement, independence and retention as well as boost learner confidence.

Some of the areas covered by LASER LEAP include:

- Creative Arts
- Employability Skills
- Horticulture and Floristry
- Hospitality and Catering
- Preparing to Learn
- Sport and Active Leisure
- Work Experience and Work Preparation

Progression:

Progression after LEAP is likely to be: employment, further education or a supported internship.
