

## Entry 3 / Level 1 LEAP Hub Trades

### Programme Outline:

LEAP Hub Trades is a practical based programme that allows students to develop a number of practical skills in different trades based in a dedicated workshop.

Supervised by our specially trained Trades team, students can experience using a number of tools in a safe working environment. Theory such as health and safety in the workplace and safe working practices is also covered.

There is a strong focus on the following trade skills:

- Painting and Decorating.
- Woodwork Skills & Carpentry.
- Tiling & DIY skills

Students produce products and deliver services to provide a true reflection of a real working environment that prepares them for life after QAC.

### Progression:

On successful completion, progression is likely to be: full/part-time employment, further education, a supported internship or apprenticeship.
